

On Monday, September 20, 21, members of the Trail of Tears Motorcycle Ride group made a stop at the MCN Mound building. MCN Higher Education staff members Willene Leffall and Sarah Pryce welcomed the visitors. Over the weekend, ride organizers had taken donations from ride participants amounting to \$600; on the morning of the stop at the Mound, the riders had collected an additional \$600 from within the group, to present a \$1200 check to Ms. Leffall. She thanked the group of riders, and commented that the funds would be used to give two (2) spring 2022 scholarships to eligible students.
