

The image is a graphic illustration of a stage. At the top, there are large, flowing red curtains. A spotlight beam, depicted as a grey cone, shines down from the top center onto a three-tiered, light grey podium. The podium is positioned in the lower center of the frame. The background behind the podium is a solid dark grey. The title 'MCN CULTURAL NIGHT' is written in a white, italicized serif font across the middle of the image, overlapping the dark background and the sides of the curtains.
