OKC RESOURCE CENTER
4111 N LINCOLN BLVD | OKLAHOMA CITY

MCN National Council Representatives Thomasene Yahola-Osborne, Sandra Golden and Galen Cloud were on-hand at the OKC Outreach event, held for Oklahoma City-area tribal citizens. Staff

from MCN independent agencies, administrative programs and the College of the Muscogee Nation were present, to assist citizens with applications and updates for a wide variety of services. There was a great response and participation from MCN citizens for the event.
