

Muscogee (Creek) Nation elected leaders, administrative staff and citizens traveled to Oxford, Alabama, for the April 8th and 9th **Reyicepes** festival. The festival opened with remarks from MCN and local officials, and continued with festivities, as well as cultural activities provided by Mvskoke artists .

The first-time event was planned to allow Mvskoke citizens an opportunity to visit the original area of the Arbeka ceremonial ground, and for Alabama residents to hear from descendants of the first people in the area.
