

Muscogee (Creek) National Council

Tulsa City Council

September 7th 2022 Meeting of the Councils

Members of the Muscogee (Creek) National Council met with council representatives from the Tulsa City Council, on Wednesday, September 7, 2022, in the National Council Chambers.

Speaker William Lowe, along with Representatives Joyce Deere, Sandra Golden, Mary Crawford, Mark Randolph and Joseph Hicks were on-hand to greet their counterparts. Tulsa City Councilors in attendance included:

- District 1 Representative Vanessa Hill-Harper
- District 2 Representative Jeannie Cue
- District 3 Representative Crista Patrick
- District 4 Representative Kara Joy McKee
- District 5 Representative Mykey Arthrell-Kezek
- District 7 Representative (and Chairperson Lori Decter-Wright
- District 8 Representative Phil Lakin, Jr.
- District 9 Representative Jayme Fowler

The joint meeting was the first such event for the two Councils. Speaker Lowe welcomed his counterparts to the Nation, and introduced National Council Representatives in attendance, who made individual remarks.

Tulsa City Council Chairperson Lori Decter-Wright followed with the same protocol.

Many of the leaders in attendance had met, informally, in the past year, at tribal or public events. For all involved, it was apparent that there were many similarities in the duties, challenges and opportunities in serving constituents. There was a shared commitment to seek partnership opportunities in the future, to provide benefits for all Mvskoke and Oklahoma citizens, through shared public service.
