

First Annual Gathering of the Communities

Saturday, September 10th, 2022

Pre-game Pics

The First Annual Gathering of the Communities featured a wiffle ball game between the MC National Council and all-star players from the chartered communities. It hasn't been proven yet, but there were stories about "ringers" being flown in from around the country, to load up the Community team, and help beat up on the NC team. And, community team pitcher/Principal Chief David Hill would not allow any examination of the wiffle balls he intended to throw during the game. You aren't taking this seriously, are you?

Pre-game pictures of NC warm-up and pep talk from Speaker Lowe follow.
