

## *Volleyboo Tournament*

MCN Recreation sponsored a co-ed, employee “volleyboo” tournament on Thursday, October 27<sup>th</sup>, 2022. Teams were required to compete wearing a costume; each team was assigned a different theme to incorporate in its “uniform.” National Council Representatives Thomasene Yahola-Osborn, Randall Hicks, Charles McHenry and Galen Cloud, along with NC staffers Tracy Knobloch and Sammie Spaulding, participated on the court, while Speaker William Lowe coached. The team got to the winner’s bracket with a first round win, but got eliminated in later games, all while styling in Flinstones gear. Mr. McHenry didn’t get the memo, and came dressed as a hot dog. The event provided another great memory and experience for NC leadership and staff to fellowship together, along with tribal employees.
