

2022 Sapulpa Veterans Program

On Friday, November 4th, 2022, Sapulpa Creek Indian Community hosted a veterans observance program. The Mvskoke Nation Honor Guard opened the evening with a presentation of the colors. MC National Council Representative Charles “Son” McHenry (Wagoner district) opened the program with a Mvskoke hymn and the invocation. Tony Bell, SIC Vice-chair, presided over the program. National Council Speaker/Okmulgee District Representative William Lowe, US Marine Corps veteran, was also in attendance, along with veterans and guests.

Vickie Tate, Dorothea Billy, Ellen Harjo, Edna DeGraffenreid, Rubeen Hicks, Anna Jo Fife, Rowena Beach and several youth began working on a quilt in July. Sapulpa Indian Community women have sewn beautiful quilts for several years, to be given to one honored veteran at each year’s program. Mr. Paul Brown, a US Air Force veteran, was this year’s recipient.

Mvto to Sapulpa Indian Community for all the hard work and preparations to provide recognition for the service of all our Mvskoke veterans.
