

The Indian United Methodist churches in Oklahoma make up what is called the Oklahoma Indian Missionary Conference. The conference is divided into regions. Historical and traditional Creek Indian churches are in the Northeast Region.

The region trustees sponsored a revival on Friday, June 18th, 2021, the Northeast Region/District Center, in Preston, Oklahoma. It was the first event at the tabernacle, in over a year.

Rev. June Marshall, of Honey Creek church, led the devotion.

Pearl Thomas helped led the devotion.

The bell rang 69 times, to recognize NE district church members lost to Covid-19, in 2020 and 2021.

Rev. Anita Daney brought the message.
